*Review: I liked this book. Let that be said first. Now, having said that this book suffers from two main issues. The first is that it could have used a better editor. Or more editing. Or a couple more drafts. I dont know if it was just the ebook version or what but there were spelling errors, grammar errors, hell one of the sentences even ended in .mxdpdf...*

*Description: The small island of Malaz and its city gave the great empire its name, but now it is little more than a sleepy, backwater port. Tonight, however, things are different. Tonight the city is on edge, a hive of hurried, sometimes violent activity; its citizens bustle about, barring doors, shuttering windows, avoiding any strangers stare. Because tonight...*
